

*Dear Mr. and Mrs. Brennan,*

*We have looked and looked for a home without any success until we walked in the front door of your home. We were thrilled, we couldn't believe our eyes. This was the beautiful well taken care of home, filled with loving memories, that we have been looking for.*

*We are so sorry that we can't offer more and that we have to ask you to help us with some of the costs but this is the only way we can afford your home.*

*When we saw your beautiful pool and yard we began having hopes that we would see our eight month old son swimming in your pool with his friends and playing in your lovely patio.*

*You'll never believe that my favorite sister lives 2 blocks from here, my Mom and Dad live less than a mile and my Husband John's parents live a mile and a quarter.*

*John will be 2 miles from work and I'll be 4 miles from the High School where I teach.*

*We hope you'll pick us to be the new owners of your lovely home, but if you can't we understand.*

*God Bless You,*

*John and Wendy Sullivan*

*And Mathew (Our Son)*
